**APPLICANT'S REQUEST FOR EXTENSION OF TIME
TO FILE APPEAL BRIEF**

In connection with the above-identified application, Applicant respectfully requests a 30-day extension of time to file its appeal brief, pursuant to TBMP § 1203.02(d). Applicant's appeal brief is presently due February 2, 2014 (pursuant to the Board's Order of December 4, 2013). Applicant has not previously requested an extension of time in this appeal.

The subject application has been refused registration in view of Reg. No. 4140675. Applicant has resumed negotiations with the owner of that registration regarding its consent for the registration the subject application. Applicant requests this extension to determine if such consent is available since such consent would render moot this appeal (subject to review of that consent by the Examining Attorney). This request for extension is made in good faith and not for the purpose of mere delay. In accordance with TBMP § 1203.02(d), Applicant believes that negotiating a consent agreement establishes good cause for this extension.
